

Visit Garden Box Farms (Bugville Critters)

When plucky young Buster Bee prepares for a trip to a nearby farm as part of a school project, he imagines traveling all over the Four Meadows where he lives. Then Buster Bee, Dad Bee, and Busters new friend, Sarah, fly to the farm. This is Sarahs first time flying so its up to Buster to help his friend. Buster and Sarah have great adventures at the farm and also learn the importance of eating the right foods. Thanks to good foods from the farm, Buster and Sarahs school project is a success. Great fun for adults to read aloud to children or for children to read independently.
