

I Only Just Love You A Lot

I Only Just Love You A Lot, is an adorable story about a little girl named Izabella, who loves to imitate her mother. One day she meets her new kitten, Pippa Vanderwoodsen and it is love at first sight. Izabella quickly starts to mimic her new cat the same way she did with her mother. The repetition of the phrase “I only just love you a lot”™ is repeated throughout the story in the most endearing way. The interaction between mother and daughter are both realistic and charming. This book is a perfect read before bedtime and will definitely have you coming back for more!
