

The Great Easter Egg Hunt (A Look Again Book)

With its suspenseful treasure-hunt plot, this magical picture book set in the land of the Easter bunnies offers more than 200 hidden objects to find, puzzles to solve, and intriguing clues that lead to a surprise ending—a meeting with the Great Easter Bunny himself! When Tommy receives an invitation from his eccentric Aunt Jeanne, he immediately sets out to find her, but he discovers instead the Easter egg factory, a wild jelly bean machine, the place where chocolate bunnies are created, and much more. Brimming with extravagant detail, Michael Garland's bright illustrations will keep eagle-eyed readers busy for a long time after the last fuzzy chick is found and the last puzzle solved.
