

Kitaq Goes Ice Fishing

When Apa comes to visit early one morning, five-year old Kitaq is eager to convince his grandfather that he is finally old enough to make the journey with him to the ice-fishing holes and back home again. After a breakfast of hot pancakes, Kitaq hears the magic words he has hoped for: You may go fishing with me today. Readers young and old alike will enjoy the heartwarming drama of Kitags early coming-of-age experience with his grandfather, and his first taste of success in providing food for his family.
