

Girl vs. Wave

Ruby is a surfer girl. At least she's going to be one someday soon. Her father is showing her all the things she needs to know to hang ten-- how to prepare the board, how to balance, how to paddle out to the waves. And he's right there with her the whole time. But when a big wave gives Ruby her first wipeout, she's not so sure she wants to be a surfer girl anymore. Can Ruby overcome her fear? Is she going to let that wave get the best of her? You bet she won't! And when she conquers that wave, you're gonna be just as amped as she is! It's totally tubular!
