

# The Little Red Fish

A little boy enters a library with his grandfather and his little red fish at his side. But when he awakes after falling asleep amidst the library shelves, his fish is missing. Could his little friend have disappeared into that red book over there on the shelf? Join us in celebrating this stunning debut by first-time illustrator Taeun Yoo. With dreamlike qualities of early Maurice Sendak and fine etchings that strongly evoke the mysterious and the magical, *The Little Red Fish* pays homage to imagination and the power of a good book.
