

The Story of Civilization Teachers Manual: VOLUME I - The Ancient World

The Activity Book and companion Teacher's Manual provide a complete review of everything read in The Story of Civilization: The Ancient World, along with creative activities to accompany each chapter, including: Reading comprehension questions Narration Exercises Map Activities Coloring Pages Crossword Puzzles and Word Searches Craft Projects unique to each chapter Fun Snack Ideas and Recipes Science Projects that illustrate the lessons learned in the chapters These books provide a complete and creative overview to the teacher and student alike, reaffirming the content found in The Story of Civilization. *While the Teacher's Manual contains answers and directions to the exercises found in the Activity Book, it also has its own additional activity suggestions for parents to do with their children. The Story of Civilization includes seven different products and uses the schoolhouse model so that kids of all ages can engage with the content. The age of the child determines which products he or she will use. This Teachers Manual goes with the Activity Book and guides parents of children ages 6-10 through the various activities.
