

## Five Little Chicks (Classic Board Books)

With squirms and squeals, five chicks scratch around the farmyard to find their breakfast. One by one, the chicks stumble upon the most unusual snacks--from a fuzzy butterfly to a shiny trout in the farm pond. Fortunately, Mama Hen is right there to point them back in the right direction. Caldecott Honor-winning illustrator Nancy Tafuri matches a bouncing, rhyming text and simple counting lesson to warm, sunny illustrations, making this a perfect book for any mama and her brood. Sweet and springy illustrations will delight readers as the text counts from one to five little chicks. The Classic Board Book logo calls out this titles concept of counting on the front cover.
