

## Rhinos Who Snowboard

Summer is over and our rhino friends have hung up their surfboards, grabbed their snowboards, and taken to the slopes. Colorful watercolors from Julie Mammano capture an epic day of snowboarding for these totally aggro rhinos. They catch air, take insane gaps and charge the steeps until it's time to head home and chill in the cabin, dreaming of their next ride. Snowboarders and those who dream of boarding will love these adorably extreme rhinos and a glossary of snowboarding speak is included to boost anyone's boarding know-how.
