

Whitney Wilbur Wipes Out

When fourteen-year old Whitney Wilbur, a former champion surfer turned wannabe goth, returns to her Florida hometown to stay with her surfer grandmother, everyone in Mockingbird Beach expects Whitney to compete in a big surf contest. Her arch rival Haylie, her old pal turned hottie Travis, and even her grandmother, a.k.a. Granola, pressure her to hang ten. Due to a past wipeout that nearly drowned her, Whitney fears going back into the ocean, so she comes up with a plan: Operation Surf Sabotage. From her black vinyl pants to her Decay Delay 1500 SPF sunscreen, she's determined to find a way out of surfing. Still, the ocean calls to her. Will her plan work? Or will her love of riding the waves overcome her fear?
