

Stroke of Luck (Lorimer Sports Stories)

Strange accidents are stalking the skaters at Scarboroughs Millwood Arena. At first its just a falling ladder that narrowly misses top skater Paula, but soon the dirty tricks become much worse. Everyone is on edge, including Angie, Paulas main rival for a medal. Angie knows shes not to blame, but some of the skaters think otherwise. She doesnt like playing detective, but soon realizes that catching the real culprit is the only way to clear her name. Set against a background of intense figure skating competition, A Stroke of Luck is the story of young athletes who overcome very different obstacles in order to succeed, on the rink and off.
