

You Make Me Smile

Today has something special in store—the first snow! The day begins with gray skies and a chill in the air, but soon soft blankets of white cover everything in sight. Hooray! With a warm hat and scarf, it's time to get out of the house and into the bright, white world. Soft illustrations follow a rosy-cheeked girl through the steps of building a charming snowman. His radish-red nose, shiny black eyes, and perfect smile will warm the hearts of readers.
