

# The Mysterious Woods of Whistle Root

A little girl who can only sleep during the day grows from something of an isolated town oddity to the heiress of an ancient legacy of magic and music. Exquisitely illustrated, this gentle, satisfying young fantasy is filled with unforgettable, quirky characters and imagery. A perfect read-aloud, it shows how one can find friends in the unlikelyst of places—windowsills, rabbit burrows, the library. Debut author Christopher Pennell casts a spell with his irresistible adventure while illustrator Rebecca Bonds pen-and-ink drawings perfectly capture this atmospheric world and contribute to the feel of a timeless classic. Step into the mysterious woods of Whistle Root and feel the magic.
