

Spirit of the Snowpeople

Somewhere in the north, where the winters are long, the adults decide to brighten their children's days by creating snow figures. While the children sleep, their elders create snowpeople. Eventually, the lake is surrounded with them. Word gets around, and people come to see the marvelous figures. But snow doesn't last forever, and when the snowpeople melt, the villagers must find another way to keep the spirit of the snowpeople alive in their hearts.
