

## This is My Book!

A hilarious and playful romp about making books, perfect for fans of Press Here and The Book with No Pictures. What happens when a writer learns that he doesn't quite have as much control over his book as he thinks? When Mark Pett's characters, led by a panda bear named Spike, take over his book and begin telling a story of their own, pandemonium ensues! Who's really in charge of this book? With clever interactive elements, including a pull tab, flap, and pop-up, This Is My Book is sure to appeal to a large and varied audience—kids who will identify with the "every" aspect of the book and adults who will appreciate the humor.
