

## Andy

In this original screenplay, Andy Lott is a likable high school student content with the safe, stable attainments heâ€™s found in the classroom, on the field, and in his faith. He even has a beautiful girlfriend and two loving parents. Despite this seemingly ideal life, Andy knows there is more inside him, that he is not living to his full potential. Something else is lurking in the great beyond, something both his brother and his head coach recognize. But it will take more than well-meaning advice and lectures to stir him from his slumber and into a mission few young people would dare to accept.
