

The Extra Yard (Home Team)

Teddy, a young football player, learns that sometimes bridging the distance in your family can be harder than stretching for an extra yard on the field in the second book of the Home Team series from New York Times bestselling author and sportswriting legend Mike Lupica. Last spring Teddy's life changed for the better. He started working out, shaping up, and even earned a spot on the Walton baseball team, and with the team he went all the way to the Little League World Series. But the best things to come out of that season were his friendships with Jack, Cassie, and Gus, and the confidence to finally try out for the sport he really loves—football. So when eighth grade begins, Teddy couldn't be more psyched. Until his mom drops a bomb: his father—who left them a long time ago—is back in Walton and back in their lives. And Teddy isn't happy about it. As a former star football player at the school, Teddy's dad is thrilled to find out his son is going out for the team, but Teddy begins to wonder if his father only cares about him now because he's putting on the helmet. Can Teddy find a way to go the extra yard for the team and for himself, or is the distance between him and his father too much to overcome?
