

Lighthouse Stories - The Lighthouse Goes on Vacation

Where does a Lighthouse go on vacation? To the mountains, of course, far from the sea! Join the Lighthouse on his first adventure. This book was written and illustrated by a kid for other kids. Children understand it intuitively and grown-ups will (hopefully) find reasons to smile. T.A. Heike started writing and illustrating his "Lighthouse Stories" when he was 6 years old and on vacation at the beach in Denmark. His children's book career lay dormant after that until the birth of his two daughters and his subsequent rediscovery of the wonders of childhood.
