

Tom Brady (Todays Sports Greats (Paperback))

Tom Brady wasn't the number-one pick in the 2000 NFL draft. He wasn't even selected in the first round. It wasn't until the sixth round that the New England Patriots chose him. Many had doubts about this quarterback's skills. When Brady finally got his chance on the field, Patriots fans wanted no other leader for their team. He has since risen to become a Super Bowl champion and league MVP. His stellar statistics and leadership seem like gifts, but Brady's high school, college, and professional careers were born of hard work and determination. This book follows Tom Brady's story from young 49ers fan to Patriots superstar.
