

The Winning Edge (Lorimer Sports Stories)

Jennie loves training at Richmond Skate, her Calgary figure skating club, but her Olympic dreams always seem impossibly far away. When her coach suggests she's got real talent, however, Jennie's ready to do what it takes to make her dreams real-or so she thinks. Soon she's trying again and again and again to land her double Axel, and sacrificing her social life for the rink. As the cost of skating success becomes higher and higher, Jennie starts to wonder if being a star is worth what she's losing along the way. The Winning Edge is an exciting, fast-moving story about a young skater whose ambitions force her to examine what she values most in life.
