

Wonderful Winter

Winter is a season of wondering and waiting. We wonder why some trees lose their leaves while others stay green all winter long. We wait for the first snowfall—and then wonder at how amazing each snowflake is. We wonder how animals manage to live in the cold. And we can't wait to celebrate Christmas, Hanukkah, and Kwanzaa. With vivid photographs, lively explanations, and creative craft ideas, Bruce Goldstone presents all the fascinating facts that make winter so wonderful!
