Playing professional football is a dream for many—but it's also a high-pressure, grueling job. If you're the pro player on the field, millions of people are scrutinizing your every play, expecting you to make your blocks, outsmart your opponents, move the ball to your end zone, and score. To play at 100 percent on Sundays, you are constantly preparing for the next game—practicing, lifting weights, going to meetings, or watching video. Throughout the year, you must also maintain your fitness through proper workouts, rest, and nutrition. Playing in the pros is an incredible challenge. But for those who suit up on Sundays, the journey is totally worth it. This book, which was reviewed by six-year National Football League (NFL) veteran Michael Lehan, offers an authentic look at what life is like as a pro football player. You'll learn:
