

Russell Wilson (Blue Banner Biography)

Before Russell Wilson set the NFL world on fire and won a Super Bowl, he had already become a great athlete. He led his high school team to state championships in football. He set records at two different colleges in two different football conferences. He played professional baseball for two years and may play again. But most of all, he has captured the hearts of the fans in the city of Seattle and throughout the world. His poise, leadership, and extraordinary athletic talent have combined to make a superstar at a very young age. His Christian faith guides him and his good works in the community inspire many others. He traces his roots from an extraordinary family whose accomplishments are far-reaching and wide-ranging. His potential is unlimited and his story is just beginning. This book highlights his exceptional life.
