

Quarterback Scramble (Sports Illustrated Kids Graphic Novels)

As the backup quarterback for the Hawks, Ben Paulson is happy to ride the bench and hang out with his teammates on the sidelines. But everything changes when the Hawks star quarterback, Wes Blake, gets suspended for pulling poor grades in math. With Ben at the helm, the offense starts to stall, and his teammates place the blame squarely on his shoulders. Soon after, a possible solution to Bens passing problems reveals itself -- but hes not so sure its the right answer.
