

# Long Arm Quarterback: A New Football Team Sparks an Old Rivalry (Matt Christopher Sports Classics)

Cap Wadell loves football, but it seems unlikely that he'll ever get to play on a real team—his hometown is so small that there aren't enough boys in his school to fill a regulation squad. Then his grandfather tells him how he solved that same problem years before: He and his schoolmates started a six-man football league. If Cap wants to do the same thing, Grandpa will be happy to help. Grandpa will even coach the team if the league gets off the ground. It does, and soon Cap and his friends are learning the rules of six-man football. Cap is in competition for the starting quarterback spot with Jimmy Cash, but that's not a problem. What is a problem is that Grandpa and Jimmy's grandfather have reignited an old football feud. When their rivalry starts to affect the team, Cap wonders if the team will survive.
