

Deep Zone (Football Genius)

Troy White can predict a play before it happens. Star quarterback on his state football team, Troy is a natural for the 7-on-7 tournament that's being held at the Super Bowl in Miami. With any luck, his football genius will be working for the Atlanta Falcons on that big day. Ty Lewis is a wide receiver with exceptional speed. His brother, an NFL star, says getting on a 7-on-7 team will prove Ty a winner. From the moment the two football champs cross paths, Troy and Ty begin to size each other up. But when the two rivals find themselves tangled in a web of deceit, they discover they have more in common than their skill at football. Tim Green's eight years as a star NFL linebacker give an insiders edge to his sports thrillers.
