

Football Never Bounce True

Damon Foxrucker can flat out throw a football but because he's a freshman, and because his coach doesn't believe in passing, the chance that he'll get to show what he can do looks pretty slim. Still, he's determined to find a way, even if it means going behind the coach's back. He's got some other problems too. He's got a big mouth, especially in class, which explains why he spends a lot of time in the principal's office. And then too, there's the matter of not only finding a date for the prom but finding someone to double date with because for sure he doesn't want his parents to drive him. Help comes from a strange quarter in the form of Larry the Rat, a chemistry whiz with the highest grades in the school and a knack for blowing things up. And when the Rumble Brothers begin to expand their drug operation, Damon and Larry decide to do something about that too. All in all, it makes for some exciting times in good old Wally Falls.
