

Childrens Ebook: Farty Princess (A Funny Fart Book For Kids)

Farty princess is a story about a beautiful princess who cant control her public farts. Beautiful Princess Priscilla should maintain her royal grace. Yet she canâ€™t control her rebellious butt and occasionally puts on airsâ€™her famous public farts. Everyone has been an eye-witness, or should it be nose-witness? Due to her tendency of pooting, sweet princess must go on an exciting adventure to seek a cure. She finds friendship in a troubled time. Most of all, she learns that true love is not about beauty, but accepting each otherâ€™s imperfect nature. Once upon a time, there was a princess named Priscilla. The king and queen loved her. Her people adored her. Everyone called her a priceless princess. Pris was good at almost everything. She laughed. She sang. She made everyone smile. She had a heart of gold which people admired. But Pris had a big problem almost everyone knew, and it made her feel like crying.
