

Under a Pig Tree: A History of the Noble Fruit (A Mixed-Up Book)

The publisher and author of Under a Pig Tree seem to be having communication issues. The author has written a clear, no-nonsense history of figs. But the publisher is sure she meant pigs. After all, whatâ€™s the difference between two measly letters? What results is a hilarious illustrated history of pigs, from the earliest times (â€™Pigs were presented as â€™medalsâ€™ to the winners of the first Olympics) to the present day (â€™There is nothing better than enjoying a cup of tea or glass of milk with one of those famous Pig Newtonsâ€™). The author, needless to say, is not happy about this â€™little mix-upâ€™ and makes her feelings very clearly knownâ€™ by scrawling all over the book! With sticky notes from the publisher, angry scribbles from the author, wrinkles, and pages askew, Under a Pig Tree is a playful peek into a book in â€™midproductionâ€™ and a humorous look at the consequences of small mistakes, by industry pro Margie Palatini and up-and-coming talent Chuck Groenink.
