

## Pistenbully Comes To The Rescue (PistonBully Series)

A brand new, illustrated picture book series for young children featuring a skiing storyline and setting. It's a perfect family story book for those who treasure skiing and outdoor adventure. Set to become a family favorite with children everywhere loving the charming interaction between the characters, stunning snowscapes, and Pistenbully himself! Meet all the characters:\*

- \* PistenBully Peter, who is the wise older character, who has been shifting snow for many years.\*
- \* PistenBully Jim, the eager youngster who has the strength of youth and some of its rashness.\*
- \* Cathy and Tam, the snowcats, who whizz about the snow and just can't keep out of trouble\*
- \* Sam and Rose, the two children who ski and snowboard all day and are firm friends of Peter and Jim.\*
- \* Charlie the Crow, Bernard the Dog and Freddie the Fox - Charlie's the rather reluctant messenger, Bernard is so, so faithful and Freddie...well, he can be a bit naughty sometimes.\*
- \* Penelope and Timothy, the ski lift pylons, who watch over and protect Snow Valley.

North America's ski resorts are mostly created and groomed by the hugely powerful PistenBully snow moving machines, which are built in Germany by K&S Bohrer Gel&nderverzeug AG. The company's familiar bright red machines dominate the North American snow machinery sector, selling over 50 per cent of all machines both there and in 60

countries worldwide. The company's North American retailer network extends throughout America and Canada. Beautiful Books have secured exclusive international publishing rights from the company to develop a children's character series based on the PistenBully machines, and are launching the first two titles in the series simultaneously in North America and Europe.
