

Heartprints/ Huellas del Corazon

The popular title Heartprints is now joined by its Spanish-language translation in this new paperback bilingual edition. The lovely story, a poem about the ways our actions can leave positive impressions called heartprints, is featured in both English and Spanish alongside warm, colorful watercolor illustrations. A note to parents in each language introduces the book, and a list of important words and their Spanish counterparts concludes it, making it even more useful for bilingual households and those studying English or Spanish.
