

Novel Nightmare: The Purloined Story (Adventures in Extreme Reading, Book 6)

In this action-packed series, Carter Lewis and Isabelle Hunter help their computer crazy uncle who has created a totally new kind of book experience. You don't read Uncle Dan's version of classic books; you live them in a virtual reality simulation. When Uncle Dan realizes someone has hacked his system and is corrupting his books, Carter and Isabelle must work together to help him uncover and beat the hacker. In Book 6, a wealthy but unpublished author hires Uncle Dan to turn his book into a virtual world so that he can get the attention of a publisher. But soon Carter and Isabelle begin to suspect this author is a little too desperate for success. In fact, he's lifted characters and dialog directly from classic books for his masterpiece. Can Carter and Isabelle reveal the plagiarism of Edgar Allan Poe's *The Purloined Letter* and convince Uncle Dan to put a stop to this novel nightmare? Calico Chapter Books is an imprint of Magic Wagon, a division of ABDO Group. Grades 3-6.
