

Dooby (Wolfbay Wings)

As the Wings start their first Peewee season, Dooby defenseman and official team bigmouth hopes he'll be elected team captain. After all, his chatter on the ice has been one of the team's biggest assets distracting opponents, inspiring his teammates, keeping Coach up on what's going on with the players. But someone else gets the job a girl who's just joined the team. Feeling robbed, Dooby sulks, shuts down, and shuts up and the Wings start to suffer. Dooby knows the team needs his kind of talk. But isn't that the kind of leadership you're supposed to get from your so-called captain?
