

The Midnight Library

Perfect for bedtime reading, pay a visit to the Midnight Library where you can snuggle up for a nighttime story. There is a little library that only opens at night. In the library there is a little librarian and her three assistant owls who helps everyone find the perfect book. The library is always peaceful and quiet ... until one night when some of the animals stir up a little trouble (and a little fun!) in the Midnight Library. From Kazuno Kohara, creator of the New York Times Best Illustrated book Ghosts in the House! comes a beautiful book brimming with cozy charm.
