

## The Mutts Diaries (Mutts Kids)

â€ŒThe first Mutts collection in the AMP! Comics for Kids series!â€ŒThe beloved characters in Mutts have a special appeal to kids. The warm humor and friendship between unlikely characters create a special blend. Earl is a small mutt with a big heart who cheerfully tugs at the leash on the walk of life. Earl is Mooch the cats innocent friend, as well as a witness to Moochs antics, and is sometimes a reluctant participant. Mooch has a fuzzy way of thinking and exclaiming Yesh! when really excited. Lively, animated, confident, and silly, Mooch is a smorgasbord of emotions who dances with enthusiasm and sings a lot. Mooch is the curious instigator of action, while the ever-loyal Earl often gets pulled into the fray.â€ŒCreated in 1994, Mutts appears in more than 700 newspapers and in 20 countries. McDonnell has received numerous awards for this strip, including the National Cartoonists Societys highest honor, The Reuben, for Cartoonist of the Year, six Harvey Awards for Best Comic Strip, Germanys Max and Moritz Award for Best International Comic Strip, and the Swedish Academy of Comic Arts Adamson Statuette. Mutts has also won awards for its environmental and animal advocacy, including two Genesis Awards from The Ark Trust, The HSUS Hollywood Genesis Award for Ongoing Commitment, the PETA Humanitarian Award, and

a Sierra Club award.
