

Madeline at the White House

Readers will see Washington, D.C., as never before, when Madeline takes a midnight sightseeing tour on a magic carpet of cherry blossoms. Invited to the White House by Candle, the president's lonely only daughter, for the annual Easter Egg hunt and roll, Madeline and the other little girls have a rollicking good time, and introduce Candle to the joys of occasionally breaking the rules. With a bouncy read-aloud text and gorgeous watercolor pictures, *Madeline at the White House* is in the best tradition of the beloved Madeline books.
